# HERITAGE AMRUTH

*A Magazine for Healthy Living, The Natural Way*

Heritage Amruth is a bimonthly. It is based upon the idea and philosophy that there is a design, purpose and use in nature. It believes that there is a profound holistic science underlying our health traditions and that we should build upon our heritage.

Drawing out user-friendly information from the traditional treasure house of health care practices, Heritage Amruth presents it in the form of articles and feature stories which address contemporary health care needs. Articles cover healthy diet & lifestyle, growing medicinal plants, home remedies, health care advice, profiles of traditional practitioners, design of herbal gardens and many more. Every issue of Heritage Amruth is focused around a specific health care theme thus serving as collectors' delight for reference and sustained use.

Make Heritage Amruth your reliable health guide!
