

## Report on 265th, “Tree Talk” At FRLHT campus 2nd April 2014

Today we had 265th, “Tree Talk” session at our FRLHT campus. This is to celebrate UN-International Decade of Biodiversity and know our neighbourhood plants and know their medicinal and other cultural values. This was conducted by Dr. OP Sharma Vidyarthi, IFS, CCF, Jammu Kashmir, State Forest Department, along with interested nature enthusiasts and plant lovers of FRLHT. While we took a walk in our campus, we stopped at selected trees and shared information, experiences, mythological stories, nomenclature, taxonomy, anatomical features, medicinal & cultural values from each other. Some glimpses of the session is shared for you. Visit our site to know more details and next session soon. Interested can write to us: [envis@frlht.org](mailto:envis@frlht.org)
