

Inventory of medicinal plants in BV Pundit's Herbal Garden, Nanjanagud, Karnataka, India

Sl no.	Scientific name	Sanskrit	Kannada	Malayalam	Tamil	Chiefly used
1	<i>Abrus precatorius</i>	Gunja	Gulaganji	Kunni	Gundumani	in cough
2	<i>Abutilon indicum</i>	Atibala	Turave	Velluram	Peruntutti	in fevers
3	<i>Acacia arabica</i>	Babbula	Kari gobbali	Karuvellam	Karuvaelam	in stomatitis
4	<i>Acacia auriculiformis</i>	Eng:Australian ear-pod wattle, Australian babul (seeds) as spermicidal and anti HIV				
5	<i>Acacia catechu</i>	Khadira	Kaggali	Karingali	Karungaali	in leprosy
6	<i>Acacia concinna</i>	Charmasahva	Seegae	Cheyakkayi	Cheeya kaai	to clean the skin
7	<i>Acacia farnesiana</i>	Arimedha	Kasturi gobbali	Peivelam	Pujvelam	as an astringent wash for the teeth
8	<i>Acacia feruginea</i>	Sami	Banni	Senkarungali	Velvelam	for hair removal
9	<i>Acacia leucophloea</i>	Sweta babbula	Bilijali	Velvaeleem	Velvael	as an astringent
10	<i>Acalypha indica</i>	Harita-manjari	Kuppigida	Kuppa mani	Kuppai- maeni	as a laxative
11	<i>Achras sapota</i>	Ayah phala	sapota	sapota	sapota	as a tonic
17	<i>Achyranthes aspera</i>	Apamarga	Uttareni	Kadaladi	Shiru kadaladi	as a diuretic
12	<i>Acorus calamus</i>	vacha	baje	vayambu	vasambu	in dyspepsia and fevers
13	<i>Adenantha pavonina</i>	Kuchandana	Dooddagulaganji	Manjadi	Aanai gundu mani	to suppurate boils
14	<i>Adhatoda vasica</i>	Vasaka	Adusoge	Atalotakam	Aadathodai	in cough and asthma

15	<i>Aegle marmelos</i>	Bilva	Baelpatre	Koovalum	Vilvam	as a digestive
16	<i>Aerva lanata</i>	Pashana bhedi	Hittuluka	Cerupula	Sirupoolai	in dysuria
18	<i>Ailanthus excelsa</i>	syonaka	Hemmara yayimara	Perumaram	Pinari	as a carminative
20	<i>Alangium lamarckii</i>	Ankola	Ankolemara	Chemmaram	Ankolum	as a nutritive
19	<i>Albizzia amara</i>	Krishna shirisha	Sujjala	Varacchi	Wunja	as an anti-inflammatory
21	<i>Allamanda cathartica</i>	Mumbai- jahari sontakka				as a cathartic
22	<i>Allamanda violacea</i>	Eng:Purple allamanda				as a anti inflammatory
23	<i>Aloe vera</i>	Kumari	Lolisara	Katt vazha	Kumari	in liver & spleen disorders
25	<i>Alpinia galanga</i>	Dhumpa rasna	Dhumparasmi	Aratta	Pera-rattai	in nervous disorders
24	<i>Alpinia calcarata</i>	Rasna II	Rashme			in rheumatism
26	<i>Alpinia officinarum</i>	Rasna I	Sanna rasme	Aratha	Chithara-thai	in rheumatoid arthritis
27	<i>Alstonia scholaris</i>	Saptaparna	Elale-bale	Ezhilam pala	Aalila paalai	as a febrifuge
28	<i>Anacardium occidentale</i>	Shoephahara	Gaeru mara	Prithiga mang	Mundiri- kai	in leprosy
29	<i>Andrographis paniculata</i>	Bhunimba	Nela baevu	Nila-vaepu	Nila-vaembu	in fevers
30	<i>Andropogon muricatus</i>	Usheera	Lamancha	Ramachham	Vettiver	as a cooling medicine
31	<i>Annona muricata</i>	Eng:sour sop	Hanuman phala	Mullan chakka	pullupala	to reduce anxiety
32	<i>Annona reticulata</i>	Ram-phala	Ram-phala	Vilathi	Ram-sita phalam	as an astringent and tonic
33	<i>Annona squamosal</i>	Sita-phala	Sita phala	Athichakku	Sita phalam	as a tonic
34	<i>Anogeissus latifolia</i>	Dhava	Dinduga	Maru-kanchiram	Vella nagai	as an astringent
35	<i>Anthocephalus cadamba</i>	Kadamba	Kadawala	Attutek	Vellai-cadamba	in gastric irritability

36	<i>Aquilaria agallocha</i>	Krishnagaru	Agaru	Kayagahru	Agali-chandanam	as a stimulant
37	<i>Areca catechu</i>	Kramuka	Adike	Paakku	Kottai-pakku	as a dentifrice
38	<i>Argemone mexicana</i>	Swarna kshiri	Datturi gida	Ponno-mattan	Kurukkum chedi	in skin disease
39	<i>Argyreia speciosa</i>	Samudra palaka	Samudra balli	Samudra pala	Samudra pachi	as an alterative
40	<i>Aristolochia indica</i>	Eswari-mool	Eswari beru	Karalakam	Garudakkodi	in cholera and diarrhoea
41	<i>Artabotrys odoratissimus</i>	Harachampaka	Madanamasti	Manoranjitham	manoranjitham	in cholera
42	<i>Artocarpus communis</i>	Seema panasa	Deevihalasu	Aatha chakka	Seema-palaa	as a vegetable
43	<i>Artocarpus hirsuta</i>	Maha panasa	Hebbahalasu	Ayani	Paeppalaa	in buboes
44	<i>Artocarpus integrifolia</i>	Panasa	Halasu	Pilavu-chakka	Palaa-maram	as a nutritive
45	<i>Artocarpus lakoocha</i>	Lakucha	Waatae gida	Thitti-palavu		as a purgative
46	<i>Asparagus adscendens</i>	Sweta musli	Safed-musli	Shedeveli	Tannirvittang	as a tonic
47	<i>Asparagus racemosus</i>	Shatavari	Ashadiberu	sataavaeri	Satha-moolam	in uterine disorders
48	<i>Atlantia monophylla</i>	Atavi-jambira	Kadu- nimbe	Mala-narakkam	Kaatu aelumichai	in rheumatismi
49	<i>Averrhoa bilimbi</i>		Bilimbi	Vilimbi	Pilimbi	in fevers
50	<i>Averrhoa carambola</i>	Karmaranga	Kamarakshi	Chathura-puli	Tamarattai	as a refrigerant
51	<i>Azima tetraantha</i>	Kundali	yesagale	Changan	Ichanka	in cough and asthma
52	<i>Bambusa arundinaceae</i>	Vamsha	Bedru	Mula	Kambu	in dysmenorrhoea
53	<i>Barleria prionitis</i>	Kurantaka	Mullugoranta	Shemmulli	Kaattu kanakambaram	in cold and fevers
54	<i>Bassia longifolia</i>	Madhooka	Ippe-mara	Illupai	Kattu irrupai	in chronic ulcers
55	<i>Bauhinia alba</i>	Sweta Kanchana	Bili Kanchuvala	Mandaram	Aremaram	in Scrofula
56	<i>Bauhinia tomentosa</i>	Aswamantaka	Vana sampige	Kanchanam	Tiruvatti	in liver inflammation
57	<i>Bauhinia variegata</i>	kovidara	Kempu mandara	Chuvanna mandaram	Shemmandarai	in scrofula

58	<i>Berberis aristata</i>	Daru haridra	Maradarishina	Mara-manjal	Mullukala	as an anti- pyretic
59	<i>Bixa orellana</i>	Sinduri	Rangu-malle	Kuppa manjal	Kurangu manjal	in gonorrhoea
60	<i>Boerhaavia diffusa</i>	Rakta punarnava	Kempu-komme	Tamilema	Mookirattai	in oedema
61	<i>Bombax malabaricum</i>	Shalmali	Kempu-buruga	Elevam-panju	Mul-elevam	in menorrhagia
62	<i>Borassus flabelliformis</i>	Tala	Taalae-mara	Pana	Panai	as a stimulant beverage
63	<i>Boswellia serrata</i>	Sallaki	Dhoopada mara	Parangi-sambrani	Vellai kungiliam	in rheumatism
64	<i>Bursera delpechiana</i>	Eng: Indian linaioe, Indian lavender				in headache
65	<i>Butea frondosa</i>	Palasha	Mutthuga	Palas in samatha	Parasa	as a laxative
66	<i>Caesalpinia bondu cella</i>	Kuberakshi	Gajjugadakayi	Kalanchikkuru	Kalarchikkoodi	in fevers
67	<i>Caesalpinia sappan</i>	Patanga	Patanga	Patrangam	Vattangi	as an emmenagogue
68	<i>Cajanus cajan</i>	Adhaki	Togari	Thuvara	Thuvarai	as a nutritive
69	<i>Callistemon lanceolatus</i>	Eng: Bottle brush tree				in aches
70	<i>Callophyllum inophyllum</i>	Punnaga	Surahonne	Cherupuna	Punnagum	in rheumatism
71	<i>Calotropis gigantea</i>	Arka	Kempu ekka	Erikku	Yercum	in dysentery
72	<i>Calotropis procera</i>	Alarka	Bili yekka	Erikku	Vellerukku	in tooth ache
73	<i>Cananaga kirkii</i>	Eng: dwarf variety of Ylang Ylang				in head ache
74	<i>Cananaga odorata</i>	Eng:Ylang Ylang	Apoorva champaka		Siru sampagam	in head ache
75	<i>Caratamus tinctorius</i>	Kusumbha	Kusube	Chendoorakam	Senthoorakam	as a purgative
76	<i>Cardiospermum halicacabum</i>	Karnasphota	Kuppattesoppu	Palluruvam	Mudakottan	in earache
77	<i>Carica paya</i>	Erandakarkati	Parangi	Karmoos	Pappaali	as a digestive
78	<i>Caryota urens</i>	Dirgha	Bagini	Chunda-pana	Thaalam panai	as a nutritive
79	<i>Cassia alata</i>	Chakramarda	Seeme agase	Seemagati	Vendukolli	in ringworm

80	<i>Cassia auriculata</i>	Akuli	Avarikae	Aavara	Aavaarai	in diabetes
81	<i>Cassia fistula</i>	Aragwadha	Kakke	Konna	Sara konnai	as a laxative
82	<i>Cassia occidentalis</i>	Kasamarda	Tagache	Ponnaveeram	Nattutakarai	in whooping cough
83	<i>Cedrela toona</i>	Nandi vriksha	Kempu gandhagiri	Methangiri vaambu	Santhna vaambu	in disordered menstruation
84	<i>Celastrus paniculata</i>	Jyotishmati	Gangunge	Palulavam	Atipari-chcham	to sharpen memory
85	<i>Cephalandra indica</i>	Bimba	Tondekayi	Kova	Kovaikai	in sores of the tongue
86	<i>Chloroxylon swietenia</i>	Bimbilota	Huragalu	Vari maram	Mamarai	in rheumatism
87	<i>Cinnamomum camphora</i>	Karpoora	Karpoora	Ghana-rasam	Karpoora maram	as a stimulant
88	<i>Cinnamomum zeylanicum</i>	Twak	Dalchini	Lavanga patta	Lavanga pattai	as a carminative
89	<i>Citrus acida</i>	Jambeeram	Nimbe	Cherunarakam	Elumichai	in purging and vomiting
90	<i>Citrus aurantium</i>	Naranga	Herale	Simao	Narangum	in bilious complaints
91	<i>Citrus medica</i>	Matulunga	Madalada hannu	Vadukapuli	Naarthankaai	as a refrigerant drink
92	<i>Clerodendron inerme</i>	Kshudra agnimantha	Taggi	Sangam kuppi	Pinasangam	in fevers
93	<i>Clerodendron infortunatum</i>	Kshudra agnimantha	Vishaprahari	Peruvellam	Karukanni	in malaria
94	<i>Clerodendron phlomidis</i>	Agnimantha	Narugalu	Munna	Thalanji	as a tonic
95	<i>Clerodendron serratum</i>	Bharangi	Gantu bharangi	Cherutekka	Kandu-paaranki	in asthma
96	<i>Clitorea ternatea</i>	Shankha pushpi	Girikarnika	Sangu pushpam	Sangu pushpam	as a brain tonic
97	<i>Cocculus cordifolius</i>	Guduchi	Amrutaballi	Chittamratam	Sheendhil	in fevers and skin diseases
98	<i>Cochlospermum gossypium</i>	Pita shalmali	Arishina booruga	Appa kudakka	Kongillam	as a demulscent and astringent
99	<i>Cocos nucifera</i>	Narikela	Tenginagida	Nalikeram	Thennai	as a refrigerant

100	<i>Coleus forskohlii</i>	Pashana bhedi	Makandiberu	Hin:patharchur	Koorkan kizhangu	as a hypotensive
101	<i>Coleus spicatus</i>	Induparni	Doddapatri	Karpooravalli	Karpooravalli	in coughs and cold
102	<i>Commiphora mukul</i>	Guggula	Guggula		Maisatchi kungiliyam	in rheumatism
103	<i>Cordia myxa</i>	Sleshmataka II	Chikka solle	Naruvari	Naruvali	as a mild tonic
104	<i>Coscinum fenestratum</i>	Daru haridra	Maradarishina	Mara-manjal	Mara-manjal	in continued and intermittent fevers
106	<i>Costa pictus</i>	Kemuka	Insulin gida	Insulin leaf	kottam	as an anti-diabetic
105	<i>Costus igneus</i>	Pushkarmoola	Kempu hone Insulin gida	Pushkaramoola	Kostam	in diabetes
107	<i>Costus speciosa</i>	Pushkara kemuka	Changala kosta	Koettam	Koeshtam	in catarrhal fevers
108	<i>Costus stenophyllus(tall)</i>	Eng:Red snake ginger				as a shamoo
109	<i>Couroupita guianensis</i>	Nagapushpam	Nagalingada huvu		Nagalingam	in a beverage
110	<i>Crataeva religiosa</i>	Varuna	Narumbele	Nirvala	Maralingam	in urinary calculus
111	<i>Croton tiglium</i>	Naga danti	Jaapala	Neervalam	Naervaalam	as a drastic purgative
112	<i>Cubebis officinalis</i>	Sugandha maricha	Balamenasu	Vaalmulagu	Vaalmilagu	as a carminative and stimulant
114	<i>Curcuma amada</i>	Amra gandhi	Mavina shunti	Maanga inji	Arukamlaka	in prurigo
115	<i>Curcuma angustifolia</i>	Tavakshiri	Thavakshira	Koova	Aararootu	as a nutritive
116	<i>Curcuma aromatica</i>	Vanaharidra	Kasturi arishina	Vella channa	Kasthoori manjal	as a blood purifier
117	<i>Curcuma caesia</i>	Hindi: Kali haldi	Kari arishina			to apply to bruises and contusions
118	<i>Curcuma longa</i>	Haridra	Arasina	Manjal	Manjal	In diabetes and skin diseases
119	<i>Curcuma zedoaria</i>	Karchura	Kachora	Pulan-kizhanna	Kastori manjal	as a corrector of pugatives

113	<i>Curculigo orchioides</i>	Talamoolika	Nelatati	Nelapana	Nilappanaik kizhangu	as an alterative
120	<i>Cyclea peltata</i>	Paatha	Paduvala balli	Pada kelengu	Uiti-it-Pata	as a febrifuge
121	<i>Cymbopogon citratus</i>	Eng:Lemon grass	Nimbae hullu	Chayapul	Vasanapulla	as an excellent stomachic
122	<i>Cyperus rotundus</i>	Musta	Konnarigadde	Karimuttan	Koral kizhangu	in fevers and diarrhoea
